

HCS SB 465 -- JUDICIAL FINANCE COMMISSION

Under current law, the Judicial Finance Commission must resolve a dispute over the circuit court budget with the county before the beginning of the fiscal year in question. This bill allows the commission, if the dispute is submitted within 90 days of the end of the fiscal year, to resolve the dispute within 90 days of the beginning of the subsequent fiscal year. The bill also modifies the annual report of the commission to include separate information on all divisions of the circuit court of each county, including the probate division.
